Women Sew for Red Cross

A bustling place on Mondays and Thursdays is the Red Cross production headquarters, where a variety of garments are completed for the war sufferers overseas. A photographer from the Republican-News stopped in Monday and found several women busy completing infant lavettes. From left to right at the sewing machines are Mrs. B. M. Brown, Mrs. Arthur Dray and Mrs. X. H. Durand. Mrs. A. W. Dreisel, production chairman, and Mrs. E. E. Aldridge are in the rear holding the completed lavettes. On the right is Mrs. Emil Saubert, knitting instructor. (Other picture on page 8.)

Soviet Forces In Bessarabia Are Reinforced

Follows Protest To
Nazi Movements

By ROBERT ST. JOHN

Sofia, Bulgaria, March 4.—(AP)—Soviet forces in Bessarabia, the Prut river from Nazi-occupied Rumania, are being reinforced according to dispatches to London.

Reports followed upon publication of a Russian note to Bulgaria, claiming that entry of German troops into Bulgaria would be an extension of the war and a "consolidation of peace."

It came as Rumanian mobilization was accelerated under the pressure of German staff officers. Diplomatic dispatches from Bucharest said the Rumanian mobilization, which began late in January, was expected to bring 1,000,000 men under arms by March 15.

Russia Orders Blackouts
Most of the reservists being called up they said, are sent to Russia. Bulgaria again has ordered blackouts for big Black Sea ports, and Chisinau and Cernavoda in Bessarabia, backed out and has additional motorized units to the frontier from Kiev.

At the same time German troops moved from Rumania into Bulgaria and heavy Nazi troop movements were said to have started again from Germany across Hungary into Rumania.

These reinforcements, diplomatic sources said, apparently are to replace troops being moved from the Balkans to the Greek and Turkish frontiers of Bulgaria.

A German diplomatic mission, believed to be bearing a message from Adolf Hitler to Ismet Inonu, president of Turkey, landed by plane at Ankara, the capital.

Advices from Bucharest said Soviet forces in Bessarabia, just across the Prut river from Nazi-occupied Rumania, were being reinforced.

Authoritative diplomatic quarters said the message from Hitler was an attempt to get Turkey to trade her British alliance for one with Germany.

Nazi troop movements into Bulgaria and toward her Turkish and Greek frontiers continued to swell in volume hourly.

As Nazi reports sifted through the capital that the R.A.F. was photographing the country in preparation for bombing, more than 100 small pursuit planes were lined up at a new emergency airport here.

Other Developments
Coincidental with these developments came two others:

Six persons were injured in 74 auto accidents reported to city police during the month of February. This is considerably reduced from the January 1941 toll of 17 injured in 97 vehicle accidents.

It also compares favorably with the February 1940 total of 10 injured in 82 mishaps.

Council Orders Vote On Daylight Saving In April 15 Election

New Record For Illinois Auto Plates

Springfield, Ill., March 4.—(AP)—Automobile department officials predicted today that sale of 1941 orange and black passenger car license plates will set an all-time high mark of approximately 1,800,000 sets.

Secretary of State Edward J. Hughes, who requested issuance of 1,707,512 pairs of tags last year specified in the states contract for this year's plates that the manufacturer must be prepared to produce 1,850,000 sets.

Thus far, 1,425,000 motorists have ordered their 1941 plates, the automobile department reported. License officials estimated that 150,000 automobiles in the state still carry 1940 plates.

Police throughout Illinois, however, have been waging an enforcement drive which resulted in a late rush for this year's numerals.

Says Hitler May Goad Japs Into Attacking U. S.

Wisconsin Senator Says Congress Has No Right To "Pass The Buck"

Washington, March 4.—(AP)—Senator Wiley (R-Wis.), announcing his opposition to the administration's British aid bill, asserted today that if we put our feet into the Atlantic, Hitler may goad Japan into attacking the United States.

Wiley declared that congress had "no right" to pass the buck of directing foreign policy to the President. In an address prepared for delivery in the senate, he said he believed there was a "serious possibility" that if the bill as presently drawn became law American defenses might be impaired and this country might be involved in war.

The senate, nearing the close of general debate on the bill, heard Senator Wiley's speech.

Amendments Tomorrow
Nye took the floor after he had told reporters that opponents of the bill would be willing to begin consideration of committee amendments to the measure tomorrow.

This would mark the close of general debate, but Nye said it was unlikely that a final vote could be reached on the measure before the middle of next week.

Nye said that under the bill the United States was being asked to "ally our country with Great Britain in the name of ending aggression on this earth."

"If such an alliance, for such a cause is to be our lot," he declared, "then let it be acknowledged that our ally is the ace aggressor of all time."

In the pages of history, for centuries, aggression has given Great Britain a third of the globe and

many—since only the Reich can protect Turkey against the historic designs of Russia."

The reports of Russian reinforcements in Bessarabia followed publication of a Russian note to Sofia declaring the entry of German troops into Bulgaria would serve for "extension of the war" and not for "consolidation of peace."

London, March 4.—(AP)—An authoritative source asserted today that Britain might break off diplomatic relations with Bulgaria "within the next 24 hours."

The source said the break would "not necessarily be followed by a declaration of war," but added that it always has been the British policy "to seek out and hit the Germans" whenever possible.

Britain, it was said, regards Bulgaria as having "played in quite excessively" with German plans.

Present Petition On Old Question

The question of daylight saving time will be submitted to the voters of Kankakee at the general city election April 15. This was authorized by the city council at its meeting Monday night.

A petition bearing notarized signatures of about 2,500 voters was presented to the council asking for a popular vote on the proposition. Issuance of a separate ballot accordingly was ordered by the board of aldermen in which citizens may vote for or against establishment of daylight saving time in Kankakee from the first Sunday in May to the last Sunday in September of each year hereafter.

Thus the voters on April 15 will be handed three ballots. Besides the regular ticket of city offices and the fast time proposition, they will receive a ballot on the question of annexation to the city of a small strip of territory from Hunter avenue east to the Big Four tracks and north of Court street to the tracks.

Mayor Albert F. Hattenburg announced two temporary appointments. Philip Schriener, superintendent of sewers, was named acting superintendent of streets and Assistant City Engineer Charles Gregg was placed in charge of gas tax maintenance of city streets traversed by state highways.

A petition presented by the Kankakee Water company seeks council authorization for construction of a 24-inch water main from its pumping station on Cobb boulevard to the elevated tank in the 200 block on North Wildwood avenue. On motion of Alderman Jack Costello, Sixth ward, the request was referred to the street and alley and utility committees and aldermen of the wards through which the conduit would run.

For the greater part of the day the company contemplates building a car and north to the alley between Evergreen and Myrtle avenues to Court street, and then jogging to the alley between Wildwood and Rosewood avenues. The present 12-inch main is said to be inadequate for future needs.

WPA Nursing Course
On motion of Alderman David Wood, Fourth ward, the application of St. Mary hospital for the city to act as a co-sponsor with the WPA project to give probationary training in the nursing profession to a number of young women, was granted. The city incurs no liability for this, but a co-sponsor was needed by the hospital since it is classified as a charitable institution.

The council approved the report of the zoning board of appeals which denied the request of Louis Foster, 578 South Dearborn avenue, who sought to change the zoning classification of his property from apartment house to business district. Conference was voted on motion of Alderman Myron Deneau, Seventh ward.

The city clerk was authorized to advertise for bids for repair of ornamental street lights on South East avenue and Merchant street. A bulk plant and service station of the Vaughn Oil company at Schuyler and Center avenues, under supervision of the building inspector and fire chief. This motion was sponsored by Councilman Fred Maisonneuve, First ward.

Four Tag Days
Huntington James, Second ward, reported that the tag day committee authorized tag day dates for four ex-service men's organizations: Spanish War Veterans, April 26; Veterans of Foreign Wars, May 10; American Legion, May 24; Disabled American Veterans, Nov. 8.

Alderman Costello inquired what had been done in regard to the driveway dispute in the 600 block on South Nelson avenue and was informed by City Attorney Victor Cardosi that an attorney hired by a group of citizens in the vicinity claims they can prove the drive has been used publicly for more than 20 years.

The city, however, has received no formal complaint from any person inside the city limits. "Unless this is done we cannot act," Cardosi said. "We have no authority yet to proceed."

Asks Damages
Alderman Edwin DuCharme, Seventh ward, reported that the bill of Melvorne Gocin for damages to his car as a result of a washout on West Station street was referred to the city attorney to recommend the liability of the firm who is responsible for digging up the street.

An ordinance transferring \$10,000 from the working cash fund to the general corporate fund to meet current operating expenses was approved.

Cardiff, Wales Raked For Hours By Nazi Bombers

One Of Greatest Fire Raids Of The War; Smoking Ruins

Cardiff, Wales, March 4.—(AP)—This important southwest port was raked for hours last night by a hail of incendiary bombs in what officials described as one of the greatest fire raids of the war.

Great fires were raging at the height of the attack, but all were under control this morning. Smoking ruins marked a trail of destruction across the city.

During the night, the American Red Cross sent ambulance units from London, 160 miles away.

The number of casualties could not be determined immediately.

British Retaliates
Berlin, March 4.—(AP)—German raiders heavily bombed docks and factories at Cardiff, Wales, last night, and attacked the port of Newcastle and airfields north of London, the German high command reported today.

British planes were said to have dropped "several explosives and a large number of incendiaries at several places in western Germany," killing and injuring some civilians and damaging houses.

The daily war bulletin credited a German combat plane with sinking a 3,000-ton ship off the south coast of England yesterday and said another merchant vessel was "stopped with a heavy list" after two attacks off of Aberdeen.

The high command said other bombers, operating west of the Hebrides, sank an 8,000-ton merchant ship.

German planes swept over Cardiff in waves of five hours, informed Germans said.

Blame Storm For 7 Auto Accidents

In seven auto crashes reported to police yesterday and this morning one was injured. Most mishaps were caused by icy pavements and restricted vision in the snowstorm.

Involved were machines of Alvan Farman, 654 South Elm and Hector Blanchette, 481 North Entrance at Washington and Court; William Demell, 730 North Indiana; Roy Beach, 840 East Locust and Lester Hunter, Momence in the 100 block on South Schuyler; Earl Brewer, 455 West River at East and Hickory; Jarvis Blake, 400 South Small; Vic Cardosi, 225 North Seneca; St. Chestnut and Harrison; Athan Angelou, 258 North Indiana and Ernest Zeller, Ravenna, Neb. at Station and Washington; Donald Rugie, 493 North Washington and E. Higgins, 309 South Wildwood at Court and Greenwood; Frank Benau, St. Anne and Mrs. Mayme Alpin, Aroma Park road, in the 100 block on North Dearborn avenue.

CLOCK TAKEN
Leo Balthazar, 297 West Hickory street, reported to police yesterday that an electric clock was stolen from his car parked at Rosewood and Bourbonnais streets.

Blue Law Wrangle Jails 500

More than 500 citizens of Wilmington, Del., have been arrested for violation of Delaware's 201-year-old blue laws in a drive by Attorney General James R. Morford to secure repeal of the ancient statutes. Bus drivers, newsboys, drug store owners, milkmen, restaurant owners and picture show boys among the violators being booked in a Wilmington police station.

Plan Contest For Gas Model Planes Here

Plans for a gas model airplane contest are being developed by the Kankakee Gas Model Airplane association which meets each Wednesday evening at the Y.M.C.A. to exchange ideas in connection with building and flying of miniature aircraft, both rubber and gasoline powered.

Gas models range in size from 24 to 84 inches wing span with motors having .097 to 1. cubic inches piston displacement and with weights varying from 2 ounces to 5 pounds. Local club members have placed high in the national championships in Chicago and have won in competition with Watseka and other neighboring clubs.

Present officers include Robert Storbeck, president; James Mackin, vice president; Edward Hebert, secretary-treasurer; Lee Herscher, properties manager; Andrew Zoph, Gerald Jaquet and Lee Herscher, membership committee.

Other members include Eugene Sprimont, Richard Lohse, Harold Hies, Maurille DeLeon, Sam Schmidt, Eugene Hudson, Leo Zullo, Herschel Nation, Vincent Schmidt, Donald Zeimer, Bruce Hyde, Bill Potter, Leo Duchene, Robert Durichene, Albert Duchene, Harry Streeter, Jim Morris and Vernon Salzman. The club now has an exhibit in the Smith-Alsop store.

Guardsmen To Be Mustered In Army Tomorrow

138 Men And Officers Will Spend Next 2 Weeks At Armory

"M" day for the 131 enlisted men and seven officers in the two local units of Illinois National Guard, Co. L, 129th Infantry and Headquarters detachment, 3rd battalion, is a matter of hours away.

The guardsmen are to report by 7 a. m. Wednesday at the armory to be inducted into the regular army for one year of active duty. For two weeks they will be quartered, fed, drilled and bunked at the armory, with possible occasional outside drills if weather permits. Three-fourths of the contingent will be given overnight leaves if they so desire.

Their departure date for Camp Forrest, near Tullahoma, Tenn., is set for March 19. A special troop train will transport them to the cantonment where they are to be stationed.

New Officers
Lieut.-Col. Peter A. Christensen left today for Sycamore, regimental headquarters, for temporary assignment to the post of plans and training officer. After they rejoin his troops after they arrive in Tennessee, Capt. Lester Webb is commanding officer of Co. L here.

Lieut. Frank Morgan will leave Thursday evening for three months infantry course at Fort Benning, Ga., and 12 men will be transferred to the post of plans and training officer. Physical exams will be given all men here tomorrow starting at 8

Sherwood Estate Given To Widow

The will of Arden Sherwood, late of Momence, gives his entire estate to the widow, Ardella, for life.

At her death, says the will drawn in 1930 and filed by Attorney Varnum A. Parish, the property goes to a son Claude and a daughter Mrs. Maude Chipman equally. The widow is named executrix.

Construction Army Speeds Work on Munitions Plants

Elwood, Ill., March 4.—(AP)—A construction army speeding up work on two government munitions plants in Will county increased to nearly 10,000 men today.

Current employment figures showed there were 5,000 at work on the Elwood ordnance plant, a shell loading project, and 4,500 at the neighboring Kankakee ordnance works, a T. N. T. factory. The number is increasing daily, however, just as the appearance of the construction areas changes from day to day in the swift tempo of the gigantic defense projects.

The firm of Sanderson and Porter, building the Elwood plant, placed an order for \$400,000 worth of electrical equipment for the main power supply with the General Electric company during the past week. Eight groups of buildings, about 200 in all, are well under way in the permanent administration area. Installation of a radio broadcasting station will begin soon.

Vast Water Supply System
A. The Kankakee works, being

built by Stone and Webster Engineering corporation, a \$200,000 contract was awarded to the Crumley, Jones and Crumley company, Cincinnati, for installing a 7 1/2 mile water supply line from the pumping stations to the processing plant, with work to start this week. Bids will be opened this week on sub-contracts for laying 80 mile of underground water lines, for fire protection and for supplies of drinking, cooling and processing water.

Advanced Tactics At Militia Drill

More advanced military tactics will be presented at tonight's regular drill for the new Illinois Reserve militia at the armory at 8 o'clock.

In order to have well organized troops on hand when the regular national guard goes into federal service, the new militiamen—perhaps also a sergeant major or so and maybe even a lieutenant here and there—are being pushed along.

NAVY RECRUITER
A recruiting officer from the U. S. navy will be at the Kankakee postoffice building Wednesday to interview and give preliminary examinations to young men interested in joining the navy. Age limits are 17 to 31.

Romance at the Border

The former Gloria Claire Hauck of St. Cloud, Minn., clasped hands across the international line at Laredo, Texas, with her new husband, Anastacio Mata, Jr., Mexico City salesman. The boundary separated the couple after officials refused Mata permission to enter the United States; so they were married at the bridge and the bride later moved across the border to a Nuevo Laredo, Mex., hotel.

FOUR LEOP CHAMPIONS IN WOODSTOCK REGIONAL

Kankakee And Bradley Called Dark Horses

2 Badgers Placed on All-Big 10 Cage Squad

CATCHING A FEW OFF FIRST:

By OREN ALLAIN

Trophies and medals were awarded immediately after the final of the Woodstock regional basketball tournament Sunday night. The Hershey Lutheran won the championship trophy, Bradley Merchants captured second place, and the third place trophy was awarded to the Kankakee DX Divers. Then the following members of the championship were given individual trophies: Bauer, Wiseman, Saur, L. Kruse, Schaefer, F. Kruse, L. Schultz.

These eight members of the runner-up club likewise were singled out for honors. James Hackley, Damer, Martin, Tolousi, Delonaki, and Damski. . . . These boys took home trophies as members of the third place team: McKelvie, Pape, Dawkins, Gierke, Fleasner, Downey, Gierke, Tammann. . . . The three outstanding players of the championship were: Hershey: Jones, Bradley: Poppey, Diners—each an individual honor.

Sheldon is hot on the strength of its recent showings, including a win over Madison. If Sheldon does beat Donovan and faces Kankakee a fine story could be written around the fact that Elmore Clawson, now a senior, won the state championship with the team when he was a sophomore.

On the other hand, Bradley's chances of reaching sectional warfare next week are none too good. While Bradley has won 21 games and lost four this season, the team has not stacked up strong enough to be stamped as a favorite in a tournament which backs the power of the Chicago Heights team.

Worry begins Friday. Bradley's really begins after the Erie game, providing, of course, the Lafayette win by the opener. Joliet seems certain to win, and Bradley is taking a physical examination for entrance into the U. S. Air Corps and will probably be sent to the Chicago Heights regional tournament.

Germans Ignore Soviet Protest To Bulgaria

Will Tolerate No Restrictions; Measures Deemed Necessary

By RICHARD C. HOTTELET
Berlin, March 4.—(UP)—Nazis, rejecting Russia's rebuke to Bulgaria of its consent to German troop occupation, said today that Germany could tolerate no restrictions on measures it deemed necessary to defeat Great Britain.

Authorized Nazi sources were asked to comment on Russia's communication to Bulgaria.

"But simultaneously it must be understood that Germany can in no way tolerate any restrictions on measures it deems necessary to take to defeat Britain."

The high command said merely, in its daily communiqué:

"The march of German troops into Bulgaria continues according to plan."

Nazi informants, commenting on the Russian assertion that Bulgaria's action was calculated to spread the war, said:

"After the occupation of Bulgaria it is technically no longer possible that Bulgaria will become a theater of war."

"Contrary to the allegation that Bulgaria has done something to disturb the peace, actually it has anticipated the possibility that it might be dragged into war."

Speaking of the Russian action, an authorized spokesman said:

"Our arguments for the military occupation of Bulgaria are well known."

"Our policy in southeast Europe is based on two clear principles."

"First is our will to create and assure permanent peace in the southeast for all time."

"Secondly is our determination to prosecute the war against Britain and in the Fuehrer's (Hitler's) words strike Britain wherever we encounter it."

"Furthermore we are determined to hinder every British attempt to bring the war into an area where we consider our main economic interests lie."

"If other governments do not share these ideas and have different views regarding the southeast, particularly when like the Soviet union they are not at war with Britain, then it is a matter that is understandable."

"But simultaneously it must be understood that Germany can in no way tolerate restrictions on measures it deems necessary to defeat Britain."

"In any case it proves that Russia is following these events closely and openly and that it straightforwardly expresses its views on them."

Peterman Picks—

(Continued from Page Ten)

should play the finals, with most favoring Bloom. I'll be different and pick Joliet to win.

At DeKalb—Many times the fans have come to watch Waterman and Sycamore put on the final, show, and this year will be no exception. Waterman will prove too good for Sycamore this time. Waterman the champion and Sycamore the runnerup.

At Dwight—By the time Dwight meets Wilmington in the finals the fans will have witnessed some really hot basketball games. Both semifinals should be good, with Pontiac

as a dark horse. Dwight the winner of the final and Wilmington second.

At East Moline—This tourney is hotly contested every year, and it has been hotter than ever this year. East Moline and Moline meets in the semi-finals and Moline must be given the nod. Rock Island will meet a good team from Erie and will probably win. Moline is the choice for the trophy, and Rock Island for runnerup.

At Effingham—The home folks expect to see Windsor and Greenup in the finals here. Effingham must meet Windsor in the semi-finals and will bow out then. Windsor seems to be best here, and Greenup second.

Gibson City—Champaign, champion of the Big Twelve, is entered here and will add the trophy to its collection. Rantoul will probably furnish the opposition in the final and be the runnerup.

At Glen Ellyn—This regional has the class of lots of sectional tournaments. Even teams like Wheaton are entered in the district. Wheaton should be one of the finalists in the regional, while York high of Elmhurst is very slightly favored to win the other berth in the finals. Wheaton to win and York to take second.

Gillespie Is His Choice
At Hillsboro—Bend, Litchfield, Gillespie and Hillsboro are rated strongest here. Carlinville is also tough. Bend to beat Litchfield in one semifinal and Gillespie to defeat Carlinville in the other. Hillsboro to bow out in its game with Gillespie, with the latter the champion and Bend the runnerup.

At Hoopston—The home folks will have fun here. Hoopston is highly favored to win, and a team from Armstrong is favored for the runnerup spot.

At Jacksonville—New Berlin fans will fill one side of the gym here on the final night and Bluffs fans the other. New Berlin has a great record and should continue to win here. Jacksonville, Virginia, Illinois School for the Deaf, and Waverly will not be beaten easily. New Berlin will be champion and Bluffs the runnerup.

At Jerseyville—Jerseyville has been favored most of the time in this tourney, but this year Hoodhouse and Whitehall get the nod over the host team. It's a guess as

to which will win, but I'll take Hoodhouse as the winner and Whitehall second in a very close finish.

At Marseilles—Streator with all its power is entered here. Marseilles expects to defeat Ottawa and become the other finalist. Streator will win this one, with Marseilles in second.

At Mattoon—Mattoon, one of the better Big Twelve teams, should take this tourney. Pucolia, with a really good outfit, may spill the dope, however. I'll take Mattoon but don't be surprised if I'm wrong.

At Mendon—Quincy, Mendon Payson and Camp Point are entered here. Quincy is the best known in the rest of Illinois, but this year the team from Camp Point is going to do a little advertising. Camp Point to win this tourney, with Quincy as runnerup. Mendon the usual giant-killer here, is the third ranking team.
